I am about to lose my shit. This woman is a Scientologist. Came at me with some crazy shit yesterday then @markyhutt sends me this?! NEVER SPEAK OF MY CHILDREN!! I'm about to sue TF out of this asshole. @cedricbixler_ #Scientology

house, plant drugs and drop dimes and off their children go to foster care where they will be drugged on psych drugs and sexually abused. That's if they don't smoke pot recreationally? If they do and her husband looks like he does, the private dix will drop dimes with child services and prove it in court legally along with pictures of him

Maryanne and Ariana Still Need Your Help.

MARCH 19, 2017 — MARYA — LEAVE A COMMENT

Many Marylanders supporters have reached out to us in the last few weeks – asking how they could help with "what's next?"

Let me update you on what's happening with Maryanne and Ariana.

Maryanne's Motion for Judicial Disqualification was denied and set forth three (3) factors in the motion, a number of them were erroneous.

2) Maryanne's lawsuit against the DPI exists and the Judge who allowed her signature to be forged on the Order of Dismissal is not immune from suit. Judge Ellis is not aware of Applying for Discretion. Maryanne's package is almost ready to file and the legal costs may be over but their long term effects have been devastating. The court is not aware of the fact that Maryanne has been unemployed for almost two years seeking. However, Maryanne's legal motion is almost gone. If I can't get this sent, she's banned. She lacks the finances and I refuse to loose out more money. Maryanne's Motion for Judicial Disqualification. Without the motion's ability to vote for her, she has no recourse.

MARCH 19, 2016 — MARYA — LEAVE A COMMENT

My hearts of you have been following our updates on MaryanneJDR and Facebook – one more time of Maryanne's case is over in PG Circ. Unfortunately, she has been wrongfully kicked out of the PG Family Courts. On a brief note, we appeal Maryanne's case to the Court of Special Appeals. Maryanne's case is complex and will take a year and a half – for real taking Maryanne's case up to appeal.

On the evening of June 15th – Maryanne suffered a massive mental breakdown. She remains compromised and under the doctor's care. Ariana is in the care of Family and allowing yet again to the criminal her mother. Despite the very difficult situations, she remains strong and is a fighter. Maryanne and Ariana are in need of your support and love. Maryanne and Ariana, We will continue to keep you above all of the prayers available.

Update 8/23/2016

AUGUST 23, 2016 — MARYA — LEAVE A COMMENT

Ariana remains to be taken waiting for an update on Maryanne. She was due in court on June 16th and we have not spoken since early right before the court date. To every single one of you – thank you immensely for taking an interest in Maryanne and Ariana's case. Your support, your prayers, your love, your concern and overall kind of all – for real taking Maryanne's story go forward.

Maryanne's Motion for Judicial Disqualification was denied and set forth three (3) factors in the motion, a number of them were erroneous. This is Harassment! Call the Prosecutor's office and tell them to stop harassing Maryanne. Tell them that you have observed enough from the public allegations. It's time that the courts will come to the aid from the abuse that my attorney suffered at the hands of Kym Worthy's office, the District Police Department and PG's circuit ADVISE WELL.

Maryanne and Ariana Still Need Your Help.

JANUARY 30, 2017 / AMBYR A. / LEAVE A COMMENT
Many Maryanne's supporters have reached out to us in the last few weeks – asking how they could help and "what next?"

Let me update you on what's happening with Maryanne and Ariana:
1. Maryanne's medical bills are mounting very quickly. She's been back and forth from the hospital to the rehab center a number of times post aneurysm.
2. Maryanne's lawsuit against the CPS work and the Judge who allowed her signature to be rubber-stamped on the order to remove Ariana is moving forward. After almost 6 years of fighting in the courts – Maryanne's savings is almost wiped out. Maryanne's legal woes may be over but their long-term effects have been devastating. The courts have been very slow to move on her pending lawsuit but her lawyers have been working. However, Maryanne's legal defense money is almost gone. If she's going to win her lawsuit – the Justice for Maryanne will need to raise a lot more money.
3. Ariana is being cared for by family members. Without her mother's ability to care for her, she has no income.

JANUARY 25, 2017 / AMBYR A. / LEAVE A COMMENT
As many of you have been following our updates on GOFUNDME and Facebook – you may know of Maryanne's aneurysm in Mid June. Unfortunately, she has been unresponsive since June 15th. Today, however, the criminal case against Maryanne was finally dismissed. Her family, especially Ariana, thanks you for all of the support, calls, prayers and donations their family has received the last 5 and a half years. It has been a really long journey, which has unfortunately cause irreparable damage to both Maryanne and Ariana. We ask that you continue to share their story, keep praying for them and continue to hold CPS accountable for their misdeeds against our children and families.

Update 8/23/2016

AUGUST 23, 2016 / AMBYR A. / LEAVE A COMMENT
I know everyone has been waiting for an update on Maryanne. She was due in court on June 16th and we have not updated you since right before her court date. To every single one of you – thank you immensely for taking an interest in Maryanne and Ariana's story. We thank you for your support, your donations, your prayers and most of all – for not letting Maryanne's voice go unheard.

On the evening of June 15th – Maryanne suffered a massive brain aneurysm. She remains unresponsive and under her doctor's care. Ariana is in the care of family and adjusting yet again to life without her mother. Despite this very difficult situation, she continues to show strength and resilience. At this time we appreciate your prayers for Maryanne and Ariana. We will continue to keep you abreast of Maryanne's condition.

Kym Worthy has appealed Maryanne's case – **AGAIN**. This is the **5th** time that the Prosecutor's office has appealed Maryanne's criminal charges. **ENOUGH IS ENOUGH**. Every time Kym Worthy enters an appeal – it costs Maryanne money to pay her lawyers to file an answer and appear in court for her. **This is harassment!** Call Kym Worthy's office and tell her to **STOP** pursuing Maryanne Godboldo. The STATE has done enough harm to her and her daughter. It's time that they were left alone to heal from the abuse they've already suffered at the hands of Kym Worthy's office, the Detroit Police Department and CPS **since BEFORE 2011**.

Meh

Meh is an interjection used as an expression of indifference or boredom. It is often regarded as a verbal equivalent of a shrug of the shoulders. The use of the term "meh" shows that the speaker is apathetic, uninterested, or indifferent to the question or subject at hand. Wikipedia

The owner/user of the a a a meh word also compliments such exotic language with the most used arse-hole in all of cult-ology, followed in a super close second place by his mouth...2 endearing traits that would make him many new friends in the prison system #PrisonLife 😉

Yes! en.wikipedia.org/wiki/Martha_St... describe this abnormal behavior!
Now this testimony from @1225paris on @sheltondesigner podcast you are referring to. Do not fly with me. You are lying!! This is one of the best eyewitness report on child abuse in #Scientology.

Child Abuse in Scientology ft. Melissa Paris
This week, I interview Melissa Paris, a 2nd generation Scientologist who grew up under horrific circumstances in the Sea Organization's Cadet Org at Saint Hi...

How dare you talk to a man that has put his life on the line to save your scrawny backside so you have the freedom you do no matter what country you are in. Unlike the sea org when he puts on his uniform it means something, its not just a symbol of bull shit like in Scientology
